July 2 Update on COVID-19 & the City’s Response

GTZ-SF will be updating you with some facts on COVID-19 and reminders of how to keep safe, updates on the City’s response and links to resources that may be useful.

Previously posted GTZ COVID-19 Updates [here](https://covid19.ca.gov/roadmap-counties/).

As of July 1, San Francisco reports 3,719 confirmed positive cases of COVID-19, 50 deaths and 145,420 total test results reported. The Bay Area has 26,612 cases, including 586 deaths. The State of California has 239,767 cases including 6,174 deaths.

- [Here](https://www.gettingtozerosf.org) is a link to the San Francisco COVID-19 Data Tracker if you are interested in delving deeper into data for the CCSF. Please note, these numbers may not accurately reflect the actual number of cases due to limited testing and asymptomatic cases.
- Visit this *updated* [FAQ](https://covid19.ca.gov/roadmap-counties/) for details and Q&A about the Health Order that requires wearing Face Coverings when outside your home and links to guidance about social interactions are in the resource list below.

In advance of the Fourth of July weekend, Gov. Newsom today announced the “Wear A Mask” public awareness campaign encouraging Californians to use face coverings. The campaign will kick off in English and Spanish and then expand into other languages later this month. Broadcast and radio PSAs are being distributed in English and Spanish with local ABC, CBS, NBC, FOX, Univision, Telemundo, Ethnic Media Services, and iHeart Media affiliates. Billboards and outdoor advertisements are visible statewide in both English and Spanish. Find more details [here](https://covid19.ca.gov/roadmap-counties/) about the campaign.

Yesterday, the Governor announced, effective immediately, that certain California counties are required to close bars, some beach parking, and indoor businesses due to risk of infection. This applies to counties that have been on the County Monitoring List for 3 consecutive days. These closures will remain in place for at least 3 weeks. Bay area counties include Contra Costa, Santa Clara and Solano. Learn more here - [https://covid19.ca.gov/roadmap-counties/](https://covid19.ca.gov/roadmap-counties/).
July 2 Update on COVID-19 & the City’s Response
