Beginning the morning of Thursday, January 28, some businesses and activities will reopen/resume, after the state announced it would lift mandatory regional restrictions. The City will post the revised Health Order with detailed requirements to its [webpage](#) on Wednesday, January 27, effective 1/28 at 8:00 a.m. The Mayor's [press release](#) outlines the activities in more detail, including:

- outdoor dining with tables of no more than two households, up to six people, and spaced a minimum of 6 feet apart;
- indoor or outdoor personal services, except those that require a mask to be removed;
- outdoor zoos and museums;

- and expanded capacity on activities that were minimized during the Stay at Home Order.

San Francisco will allow hotels to resume operations for tourism use and will maintain its mandatory local travel quarantine. San Francisco will continue requiring travelers from outside of the Bay Area to quarantine for 10 days, aligning with the State requirement necessitating that hotels only accept and honor reservations made by travelers from outside the Bay Area that are for 10 days or more.
