**Current Status of COVID-19 Vaccine in San Francisco:** COVID-19 vaccine is here, but supply is low

As of March 15, people living with HIV are eligible for COVID-19 vaccination.

If you have access to the internet, visit [My Turn](https://myturn.ca.gov/) to schedule your appointments and sign up for notifications. Vaccines are free.

Or visit this interactive SFDPH list of COVID-19 vaccine sites [https://sf.gov/vaccine-sites](https://sf.gov/vaccine-sites) to find out where to get a vaccine. New locations are added as they're available.

If you do not have access to the internet or a smartphone:

- [✓ Call your healthcare provider to see if they have appointments](#)
- [✓ Call local pharmacies throughout San Francisco and the Bay Area for appointment availability](#)
- [✓ Call the COVID-19 Hotline at 1-833-422-4255 (M-F 8AM-8PM, Sa-Su 8AM-5PM) for assistance](#)

- Getting to Zero SF website: [Community](#) and [CBOs/Providers](#)
- CDC COVID-19 Vaccine website [here](#)
- UNAIDS COVID-19 Vaccines and HIV [here](#).
According to the CDC, “people are considered fully protected two weeks after their second dose of the Pfizer-BioNTech or Moderna COVID-19 vaccine, or two weeks after the single-dose Johnson & Johnson’s Janssen COVID-19 vaccine. You should keep using all the tools available to protect yourself and others until you are fully vaccinated. After you are fully vaccinated, you may be able to start doing some things you had stopped doing because of the pandemic. Learn more about what you can do when you have been fully vaccinated.

Here is a SFDPH Tip Sheet for Safer Social Interactions, Including After COVID-19 Vaccination, updated 3/6/21.

San Francisco was assigned to the Red Tier by the State based on COVID-19 case and hospitalization rates. SFDPH has issued final health and safety guidelines to reopen activities allowed under the State’s Blueprint for a Safer Economy.

HIV, STI, and hepatitis C testing, prevention, treatment, and monitoring services are ESSENTIAL and should be PRIORITIZED during the COVID-19 pandemic. The Getting to Zero SF Consortium supports the SF Department of Public Health in affirming this prioritization. Read the statement here with links to resources.
