Update on COVID-19 & the City’s Response, April 1

GTZ-SF will be updating you with some facts on COVID-19 and reminders of how to keep safe, updates on the City’s response and links to resources that may be useful. Previously posted GTZ COVID-19 Updates [here](#).

Latest from Data SF COVID-19 Data Tracker

San Francisco has moved into the orange tier. The Business Capacities and Activities Table (pdf) includes changes to allowed activities and capacity limits.

Now eligible for the vaccine:
- ✔️ everyone ages 50 & older
- ✔️ people who work in certain jobs
- ✔️ people with certain health conditions or disabilities

Note! People living with HIV are eligible for COVID-19 vaccination. If you have access to the internet, visit My Turn ([https://myturn.ca.gov/](https://myturn.ca.gov/)) to schedule your appointments and sign up for notifications. Vaccines are free.

Or visit this interactive SFDPH list of COVID-19 vaccine sites [https://sf.gov/vaccine-sites](https://sf.gov/vaccine-sites) to find out where to get a vaccine. New locations are added as they’re available. **Keep checking!**

--- Starting April 15, anyone age 16 and over will be eligible to book an appointment ---

If you do not have access to the internet or a smartphone:
- ✔️ Call your healthcare provider to see if they have appointments
- ✔️ Call local pharmacies throughout San Francisco and the Bay Area for appointment availability
- ✔️ Call the COVID-19 Hotline at 1-833-422-4255 (M-F 8AM-8PM, Sa-Su 8AM-5PM) for assistance

According to the CDC, “People are considered fully vaccinated:
- 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson’s Janssen vaccine

If it has been less than 2 weeks since your 1-dose shot, or if you still need to get your second dose of a 2-dose vaccine, you are **NOT** fully protected.

*Keep taking all prevention steps until you are fully vaccinated."
